SUMMER 2026 BROCHURE

AUSTRALIA'S BEST VALUE TRAYS & CANOPIES

V2.2 MAY 2026

BUILT FOR ADVENTURE, BACKED BY EXPERIENCE

At Trojan Canopies, we're all about helping you get further off the beaten track, with gear that's ready for anything. Born from a passion for outdoor adventure and real-world feedback, our range of lightweight trays, rugged canopies, and premium accessories are designed to go the distance, without blowing the budget.

Whether you're camping, working, or towing the caravan around Australia, Trojan products are built tough, packed with features, and backed by a team that's always in your corner.

Keen to see what Trojan Canopies can do for you?

Flick through the brochure, check out our full range, and when you're ready, give our team a shout. We're here to help you gear up and get going – no stress, no pressure, just good advice and leading solutions.

OUR SOLUTIONS:

Tray Only

1600 / 1800 / 2000MM

Ditch the tub and unlock your payload. Strong, lightweight, and ready to roll.

PAGE 04

Tray and Canopy

850 / 1050 / 1400 / 1600 / 1800MM

One tray, two setups. Canopy on or off in minutes with the included jack-off legs.

PAGE 06

Service Bodies

1400 / 1700MM

Lightweight, low maintenance, and built tough. Ideal for a dedicated setup.

PAGE 08

Trade Bodies

1700MM

Built for tradies and techs on the move. Secure, all in one chassis mount storage.

CANOPY FIT OUT

NEW

FRIDGE BASE SLIDE OUT TABLE/DRAWER

Ideal for our 850 and 1050mm
Canopies!

Maximise your prep and storage space with our
new slide out table and drawer. The bench slides
out to reveal a drawer which is ideal for kitchen
and smaller items.

This item is an absolute no-brainer if you are
adding either the 85L Bushman or 80L Dometic
upright fridges or your canopy!

POPULAR

THE WEEKENDER 12V PACKAGE

Power up with our Weekender 12V Panel - From \$3,890.00.

REDARC BCDC 40 amp charger
(Can be upgraded for larger batteries)

Victron battery monitor

CNC laser cut and powdercoated aluminium panel

Pre-wired and fused rocker switches

Trojan Canopies LED lights with amber, white and warm settings and an adjustable dimmer

Flush mount Anderson power output

12v cigarette sockets

Dual USB chargers

Flush mount Anderson solar input

Our most popular canopy 12V package for weekenders, tradies, and touring rigs.

This all-in-one power panel is built for ease. It's pre-wired, neatly installed, and ready to roll as soon as you plug in your battery. It's everything you need to keep the essentials humming, minus the fluff.

REDVISION PACKAGE

Go further with our RedVision 12V Panel - From \$6,890.00.

Ask about our Redarc upgrades

RedVision Package includes everything in the Weekender plus:

-  TVMS Rogue RedVision Control Module
-  RedVision Display
-  Manager30 Battery Management System
-  240v 15A power charging port

Need a few extras?

Optional extras include 240V inverters (run a coffee machine wherever you go), fixed solar panels, rear working lights plus more!

Installation inclusions:

Your 12v system will be connected to your starter battery with quality components. A waterproof Anderson plug allows for easy disconnection when taking the canopy off. Fridges are also wired in.
